Dear Ruben, Armen and Razmig,

Thank you for supporting The Grainger College of Engineering. Your gift will impact our engineering campus and help continue the Illinois legacy of excellence. As requested, your gift has been directed to Hovakimyan Research Fund.

*Your investment in Grainger Engineering shapes the present and influences the future by preparing tomorrow's engineering leaders. Your gift becomes a part of our *With Illinois* campaign and allows the college to:*

- recruit and retain talented students,
- invest in faculty and facilities to cultivate breakthrough research,
- create opportunities to bring innovations to market, and
- transform the student experience by reimagining engineering education through interdisciplinary teaching methods.

To learn more about the innovative research, education and facility transformations happening at The Grainger College of Engineering —as well as how you can partner in our efforts— visit grainger.illinois.edu.

Thank you again for your support,

Kent Studer
